

Opportunities for Agencies: New Roles in Community Impact Work

Thought Starter:

How *Your* Traditional Agency Partners Might Contribute to *Your* Community Impact Work

If your community impact planning or implementation effort needs this ...	what agency/ies could help?
Translation of materials into a language other than English	
Successful grant writing experience	
Access to research on addressing low birth weights among minority populations	
GIS/geographic mapping capabilities	
A better relationship with leaders in low-income neighborhoods	
Expertise in group process facilitation	
Insights into problems facing recent immigrant families	
Large meeting space in a rural community	
Gaining the ear of city or state officials on a public policy matter	
A lead partner for a multi-partner collaboration
