

MARIA MAS BLET, CTFA

Professional Profile

Maria is a senior member of Wachovia's Nonprofit and Philanthropic Services team, joining the Bank in March, 2007. Maria is responsible for the administration of 150 relationships representing the bulk of Florida's nonprofit and philanthropic business including several grantmaking irrevocable trusts, private foundations and endowments for Florida's nonprofit organizations.

Prior to joining Wachovia, Maria had been a Sr. Relationship Manager in the Personal Trust and Estate Administration department for Northern Trust N.A. for her entire 25 year career - managing general trust relationships including irrevocable and revocable trusts, foundations, charitable trusts, estates, investment management, individual retirement and guardianship accounts. Maria has been responsible for a group of high profile family relationships that represented some of the largest relationships at Northern Trust. Maria has the highest level of client service experience and has assisted clients with personal income, estate and fiduciary transfer taxation planning, as well as planning related to charitable trusts and gifting techniques. She was also a Team Leader with supervisory and management responsibility for a team of trust administration professionals.
